

U6 Task

Pupil: Tim Burgess

Supervisor: Mr Matthew Grant

Weekly tutorial: to be arranged by pupil and supervisor

Tim will delve deeper into German literature through the play "Biedermann und die Brandstifter" by Max Frisch. He already has a copy of this. He could also do further independent research into the life of Max Frisch and his other works. He will read and discuss the play in his tutorial sessions and his final outcome could either be an essay in German, an extended essay in English (as most university literature essays are written in English) or a presentation on Max Frisch.
